## One Card

## Many stories!

As you get your students ready to start school, don't forget one very important school supply - a free library card! Visit any of your 6 public libraries in Muskingum County and we will be happy to connect your children with their very own library card so they can...

**READ - DISCOVER - LEARN - CREATE!**

A monthly publication of your  
Muskingum County Library System

*experience it @ your library*

In my household, August is a month filled with changes that mark the end of summer and the beginning of another school year. My oldest son will begin Pharmacy school in Arizona, my step-daughter will be completing her Masters of Counseling Psychology in Massachusetts, my next son will be embarking upon his first year of college at OU Athens, and my last two sons will be attending high school at John Glenn. I often wonder, during this time of year, if I've spent enough time keeping them engaged in reading and learning and doing throughout the summer months. Even though my children are in their teens and early twenties, I periodically take home children's picture books from the library, sit down by myself on the sofa, and start reading aloud. I normally pick one of their favorites from childhood ("The Secret Shortcut" by Mark Teague) and inevitably they slowly join me, one by one, to listen. It's one of my favorite ways to get them all sitting together as they once did when they were young and remember how much they loved discovering new animals or new characters or new places or new dreams. It's a powerful moment for

me as it demonstrates the firm foundation I helped plant for them in the love of books and the joys of reading. Picture books are my favorite type of book so it's a true pleasure for me too.

If you have a little one (or a big one) in your life, I encourage you to grab them, sit down inside or out, and read a book together. I bet you'll enjoy it as much as they do!

Visit any of our 6 library locations to find a book that's just right for you.

As your new Library Director I'd love to hear from you, meet you, and talk with you. Please feel free to reach out through email, phone, or stop by any time.

Happy Reading!

Kroger Community Rewards Program  
The Kroger Family of Stores Community Rewards Program allows people who shop at Krogers to support the library while shopping. When you register to support the Muskingum County Library System as part of the Community Rewards program, the library receives a donation from Krogers quarterly. The amount is determined by a percentage spent at Krogers by people who have registered to support the library. If you are interested, simply register online @ [www.krogercommunityrewards.com](http://www.krogercommunityrewards.com). If you need assistance, contact Rob Cook at John McIntire Library, 453-0391, ext. 113. Thanks for your interest and support. We appreciate it!

**GRACE UNITED METHODIST CHURCH - Lower Level**

***Across the street from John McIntire Library***

**Program is from 12 noon to 1 p.m. - Lunch available beginning @ 11:30 a.m.**

*Zanesville Concert Association - 79th Season*

Thursday, August 10 @ 12 noon

Join us at Grace United Methodist Church for a preview of the upcoming 79th Season of the Zanesville Concert Association. Jim McLaughlin will share a bit about the history of the Zanesville Concert Association and highlight the upcoming season. The season includes Cameron Carpenter who is smashing stereotypes of organists and organ music worldwide. His instrument of choice is a cross-genre digital organ built to his own design. As a special treat, Jim McLaughlin will discuss and play the pipe organ in the sanctuary of Grace United Methodist Church.

**Reservations are required and limited for this free program.**

Contact the Reference Department at 740/453.0391, ext. 116 or 132 to make your reservation today!

Book Discussion

*Rise of the Rocket Girls*

John McIntire Library

Thursday, August 24 @ 6:30 p.m.

Women workers may not come to mind when you hear the words Jet Propulsion Laboratory. However, they were the backbone of the facility, playing the role of human computers before real computers existed. You are invited to learn more and join in the discussion of this book. Registered participants will be loaned a free copy of the book. For more information, contact the Reference Department at 740/453-0391, ext. 116 or 132.
