

# Muskingum County Library System Wireless Printing Instructions for Apple iOS Devices

Muskingum County Library System uses a service called SmartALEC to print wirelessly from personal Laptops, Android and iOS devices. This system is separate from our catalog so you must register your library card and setup a PIN.

1. Register on our website at: <http://muskingumlibrary.org/wirelessprinting/>
2. Download the SmartALEC app. You can search the Apple App Store or use the direct link provided within the MCLS Wireless Printing page.
3. Launch the app and log in with your library barcode and PIN:
4. Tap to “Accept” the Usage Policy:
5. Close the app and navigate to the item that you wish to print.
