# EARTH DAY
## TECHNOLOGY RECYCLING EVENT

# April 22 - 29

**MCLS**

Celebrate Earth Day and start your spring cleaning by dropping off your old tech at the John McIntire library. We have partnered with Accurate IT. They separate everything into raw materials (plastics, metals, etc.) for recycling. Nothing winds up in a landfill.

Functioning hard drives will get erased to government standards so your data will be protected.

## What can you bring?

- Cell Phones & Tablets
- Personal Computers
- LCD/LED Monitors
- Laptops
- Hard Drives
- Keyboards
- Mice
- Speakers
- Desktop Printers
- Household Electronics
- Cameras
- DVD Players
- Game Systems
- Small Power Tools
- Routers/Modems
- Childrens' Toys
- Digital Clocks
- MP3 Players
- Cabling
- And Much More!!!!

## PLEASE DO NOT BRING CRT MONITORS OR TUBE TVS TO THE LIBRARY

Instead, Muskingum County Recycling will accept these during their special collection event:

June 3 - 5

9am to 2pm

2215 Adamsville Road

Zanesville, OH 43701

For more information, contact Muskingum County Recycling at 740-732-5493 or visit their website: wasteabate.org/special-collection
