# *New to MCLS*

## Joshua McPeck Branch Services Coordinator

I am excited to call MCLS my new home. I have been working in libraries for five years now. I am a Licking County native and am having a great time getting to know the Muskingum County area. Traveling to each of our five branches has given me the opportunity to communicate and work with each community. The MCLS branches have a great bond with each of their communities, and I consider myself lucky to be part of it. When I am not working at the library, I enjoy spending my time at home with my pets and my lovely wife, Emily. My favorite book is *Childhood's End* by Arthur C. Clark. I have checked it out more times than I care to count, and I am sure I will check it out even more here at MCLS.
