A Letter from *Stacey*

Happy fall! This is my favorite time of the year. I look forward to warm days, cool nights, and the opportunity to curl up with a good book or watch a great movie. I love fall walks, especially when I can listen to the MCLS Podcast while walking. ReRead, ReWrite, Recommend is available on all platforms and is an easy listen. If you need a little help with podcasts, contact TechHelp@muskingumlibrary.org or call 740.453.0391 Ext.150.

Fall is also a time for me to think about all the things I am thankful for. I am thankful for staff that have spared no effort to find new and unique ways to serve and engage the Muskingum County community, especially during the pandemic. I am thankful for a Board of Trustees that cares about those we serve and who are passionate about access to resources for our community. I am thankful for you, our library customers. The most rewarding part of my job each day is interacting with you among the shelves of the library, at programs, and throughout the county at community events. I love hearing your questions, concerns, and your stories of the impact MCLS has on your life.

I am also thankful for our dedicated members of the Friends of the Library! In the last five years alone, this wonderful group of library supporters and volunteers have donated over \$49,500 and countless volunteer hours! October 17–23, 2021 is National Friends of Libraries Week. I encourage you to consider joining our fantastic group of Friends or supporting their mission by stopping by the Friends Bookstore or purchasing at one of their sales. You can find out more information about this group at muskingumlibrary.org/friends-of-the-library.
