

# Muskingum County Library System Wireless Printing Instructions for Android Devices

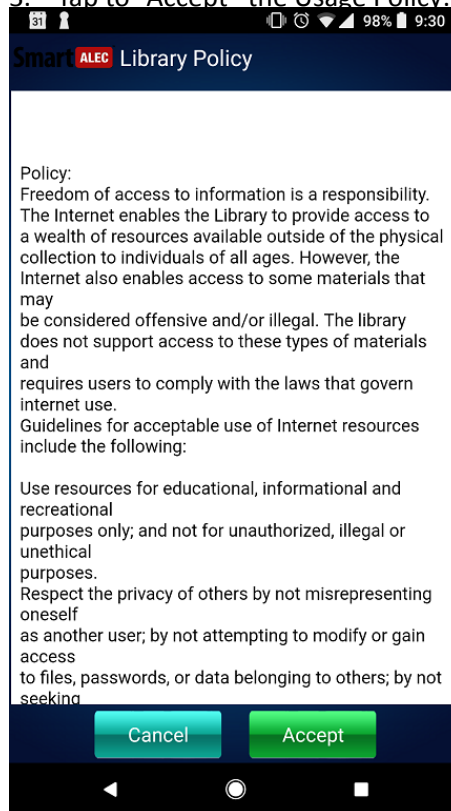

Muskingum County Library System uses a service called SmartALEC to print wirelessly from personal Laptops, Android and iOS devices.

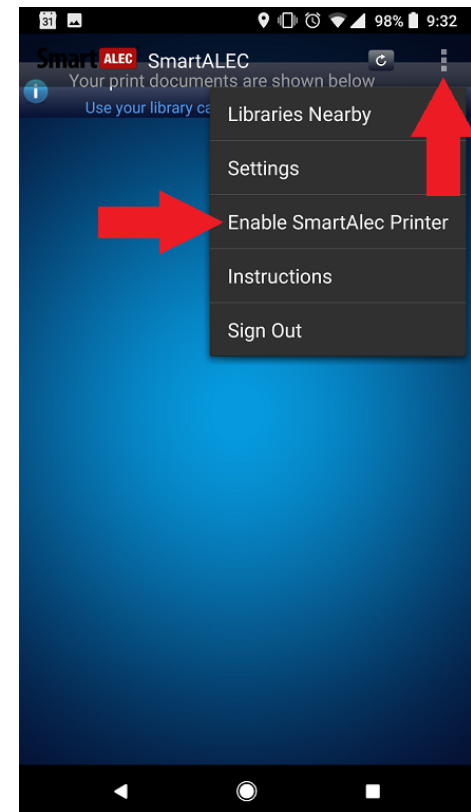

1. Download the SmartALEC app. You can search the Google Play store or use the direct link provided within the MCLS Wireless Printing page.
2. Launch the app and log in with your library barcode and PIN:

3. Tap to “Accept” the Usage Policy:

4. Enable the app. Tap the menu button then “Enable SmartAlec Printer”:

Once enabled, you may close the SmartALEC app and navigate to the item that you wish to print.
