# SUMMER READING

## An Ocean of Possibilities

June 6–July 31

# *A Letter about* Summer Reading

Hello, I am Haley Shaw, the new Youth Services Manager at the Muskingum County Library System (MCLS). I am a Muskingum County native and graduate of Tri-Valley. I attended Ohio University for my bachelor's degree and Kent State University for my Master of Library and Information Sciences. I started my new job in March of this year, and I am excited to be serving our amazing community.

MCLS has a lot of exciting things happening for this year's Summer Reading Program (SRP), an Ocean of Possibilities. The program runs from the beginning of June through July and is open to ALL AGES. Whether you are a child, a teenager, or an adult, we encourage you to sign up and participate in Summer Reading to make this year's event better than ever. Last year Muskingum County read 1.5 million minutes during Summer Reading. This year, we need your help to reach our new community goal of 2 million minutes read during Summer Reading.

Summer Reading is the perfect way to keep students engaged in learning and literacy during their break from school. It is also a great way to encourage and reward reading for all ages. There are some awesome prizes that participants can enter to win, including a Nintendo Switch Lite, a BP Gas Gift Card, or a Riesbeck's Gift Card. We are also excited to have in-person programs and events fully return this year! Visit our online calendar of events to see all the upcoming programs and performances. This summer, we are pleased to announce a new partnership with Ohio University Zanesville and Zane State College! The campus library will be a sign-up location for SRP.
