## *Library News You Can Use*

**Stacey Russell** Executive Director

We are thrilled to announce a major transformation coming to MCLS! Over the last year, we have worked with our Board of Trustees and APG Architects to reimagine the John McIntire Library. It has been thirty-three years since the library has had a remodel of this magnitude.

Thanks to your valuable input during our community conversations in 2022, we heard about what you want to see in your library and community in the future. These meetings made it clear we need to update our infrastructure to provide the library our community deserves. Here is an overview of a few updates coming to the John McIntire Library.

The Lower Level will have our reimagined children's space where kids can experience the library in a fun area filled with wonderful books for all levels of readers. The Storytime Room and the Auditorium will be next door for enhanced programming opportunities. It will be bright and colorful, featuring engaging STEAM activities that will encourage our young community members to play and grow essential skills.

The Main Level will feature a comfortable, quiet reading room, fresh adult and teen collections, a versatile makerspace, and a vibrant teen space.

The Second Level Mezzanines will offer many new meeting spaces with teleconferencing technology, an expanded Family History Center, and a new space for the Friends of the Library Bookstore.

We plan to add more family restrooms to each floor, increase technology to meet new demands, and organize our collections to make them more accessible to the entire community.

The MCLS Board and staff have long been excellent stewards of our buildings and capital funds. To further this vision, we are launching a campaign to raise \$500,000 for the John McIntire Library remodel. This campaign is different from our operating levy, which covers daily expenses such as library materials, utility bills, and routine maintenance. Campaign funds will be dedicated to major renovations and infrastructure upgrades.

We are excited about this new chapter and believe the remodel will greatly benefit our community. We invite you to join us on this exciting journey. Your contributions, ideas, and enthusiasm are what will make this project a success. Your support is crucial in making this transformation possible. Together, we can create a vibrant and welcoming library that honors our past and moves toward a bright future.
