Library News You Can Use

Stacey Russell Executive Director

In my last newsletter column I shared information about the renovation of John McIntire Library. It included what's to be expected in our reimagined space at the end of the project and how to support the remodel. This month I would like to share our current timeline and answer some frequently asked questions.

September-October 2024: Work will begin in the Carnegie Wing to prepare for the transition to our temporary location in the library affectionately referred to as "Mini Mac."

November 11, 2024: John McIntire Library will close and our temporary location on the first floor of the Carnegie building, Mini Mac, will open. We will have a final program in the auditorium to celebrate Veteran's Day. Materials that have not been moved to Mini Mac will be boxed and stored for our reopening.

Frequently asked questions:

How do I get into the temporary location?

Mini Mac will be accessible from the North parking lot between the library and I-70 using the ramp and door closest to 5th Street.

Will there be parking at the temporary location?

Parking for Mini Mac will be available in the North parking lot.

What will be in the temporary space?

Mini Mac will operate as a branch library. Customers will have access to materials, copying, printing, and computers.

Will there be more parking after the renovation is complete?

No, the parking will remain the same as before the remodel.

What is going to happen to all of the display space?

John McIntire will not have display space during the remodel. Many of our branches have display space that can be coordinated with each individual branch. After the remodel is complete, we will have MORE display space than we currently do.

For updates as the remodel project moves along, please follow us on social media and be sure to check out our webpage dedicated to the remodel - muskingumlibrary.org/jmlremodel.

Staff Picks

What great reads are our staff currently enjoying? Check them out for yourself. There something for everyone at your Muskingum County Library System. Enjoy!

Anne of Green Gables by L.M. Montgomery

Bonnie Office Assistant

"The story of an imaginative, red-haired orphan girl who finds family and life-long friendships. Enjoy the entire seven book series!"

The Mary Shelley Club by Goldy Moldavsky

Heather Adult Services Librarian

"A pretty solid murder mystery. Not amazing, and you can see some twists coming, but overall I loved the use of horror movie tropes."

Crunch the Shy Dinosaur by Cirocco Dunlap

Nick Youth Literacy Specialist

"Crunch is a very shy dinosaur. You'll need to gently coax him out to make friends with him. Excellent, subtle lesson in making friends."

Rules for Second Chances by Maggie North

Stephanie Assistant Director

"A surprising new favorite about a woman who needs to find herself before she can love others. Slow at first, but the story is worth it."

Dracula by Bram Stoker

Aaron Customer Service Associate I

"Intense, suspenseful Victorian dark fiction. It's interesting to compare this, the original vampire story to those stories that came after, like the Twilight series for example."

How to End a Love Story by Yulin Kuang

Jess Customer Service Specialist

"I really loved this! Felt like a screenplay at times. Helen in all her social awkward glory was so relatable. I appreciated the story not shying away from having a male lead with panic attacks."

House of Salt and Sorrows by Erin Craig

Katie Youth Services Librarian

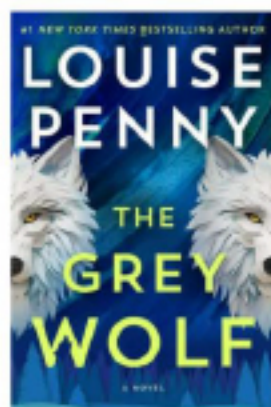

"It's been a long time since I picked up a book that I couldn't put down. Kept me on my toes all the way to the end. What a great read!"
