THE FRIENDS BOOKSTORE

The Friends of the Muskingum County Library System run a bookstore as a fundraiser. Opened in the Fall of 1992, the bookstore is located in John McIntire Library.

Used books, magazines, and other materials are purchasable. Donations of gently used hardback and paperback books, as well as other reading materials are welcome. We reserve the right to refuse any materials that are outdated or in poor condition.

The bookstore is operated by volunteer members of the Friends of the Library. Proceeds are used to support the Summer Reading Program and other library programs at the six library branches in Muskingum county.

About Us

Established in 1976, the Friends of the Library (FOL) is a nonprofit organization committed to supporting the Muskingum County Library System (MCLS).

The goal is to collaborate with the MCLS Board of Trustees, leadership team, and staff to maintain an association with the community interested in libraries.

The FOL is directed by an Executive Committee made of elected officers and appointed members at large. The MCLS Executive Director is a non-voting member, and the Marketing & Community Relations Director is the library liaison between the library and the group.

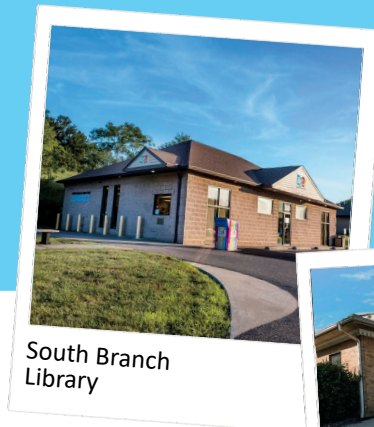

Who are we?

We are anyone who believes in our public library system's mission of opening doors for curious minds, fostering a love of reading, encouraging exploration and discovery, enabling learning, and inspiring creativity by connecting people with information, ideas, and each other.

We focus attention on the importance of public libraries. We lend our voices of support to the library and raise money for programs, resources, and materials through special events, book sales, projects, and the Friends Bookstore.
